

The Somerville Public Schools announces that it will again participate in the National School Lunch Program. All students need new free and reduced meal applications. All children in the same household may be listed on one application. Please list students name and the school they attend. Students may turn in their application at any school. Students eligible for Free or Reduced Breakfast/Lunch at the end of June will be eligible while new applications are being processed. Free and Reduced applications are accepted anytime during the school year.

If families are denied lunch assistance because their income is slightly higher than the allowed amount, it is suggested that you apply at your local Transitional Food Stamp Office. If you are accepted, you will qualify for assistance through the National School Lunch Program. Just send in your acceptance letter with your child.

If you receive a letter from the school Food Service Department prior to school starting, stating that your child is eligible for free lunch through the Virtual Gateway, there is no need to fill out another application. If all children are not on this letter please call Lauren Mancini at 617-625-6600 x6080. Please keep the letter for your records so that you can apply for fuel assistance and other programs.

Applications will be distributed to all students on the first day of the school year and may be obtained online at any time throughout the year.
