

Healey Families welcomes you!

Under the Healey Families umbrella is the **Healey PTA*** and the **Friends of Healey****

The **Healey PTA** arm of Healey Families seeks to create a diverse and inclusive community for all Healey families through strong communication, collaboration with teachers, and school-wide enrichment events. (2019 PTA events will include Literacy Night, STEM Night, Heritage Night, movie nights, etc.)

The **Friends of Healey** arm of Healey Families supports and funds off-site learning and enrichment programs. (2019 FoH events will include the spring Biennial Arts Fest)

You can learn more about Healey Families and how to get involved at the upcoming **Open House on Wednesday, September 4th** but for now please save the date for the Healey PTA Flatbread Pizza fundraiser on **Tuesday, September 10th** at Flatbread Company in Davis Square. From 5 p.m. until 11 p.m. a portion of the proceeds from all pizzas sold (including take-out) will go to benefit the Healey. There will also be raffles and a bake sale.

Thanks and we'd love to hear from you!

*PTA membership dues are \$5 per person/per year. However, we want to **emphasize** that PTA membership is **not necessary** to participate in PTA events. PTA events are open to ALL Healey families and everyone is welcome and encouraged to participate.

**The Friends of Healey 5013c non-profit is the vehicle for fundraising and administration of funds for large trips (Nature's Classroom and 7/8 New York City trip, for instance) as well as field trip subsidies, enrichment activities (such as lunchtime concerts and assemblies) and major community-wide arts projects such as the mosaic mural and mandala.
